### Scholarship Availability Announcement and Submission Guideline

The **Platinum Torch National Service Honorary**, an independent, non-profit organization founded to recognize, validate, and encourage the volunteer efforts of America's students, is proud to announce the availability of scholarship funding for the 2009/10 college school year. The purpose of the scholarship(s) is to assist hardworking student volunteers, who are registered with the **Platinum Torch**, in continuing their education and further pursuing their life interests. **To be eligible you must be registered with the Platinum Torch.** If you have previously been awarded one of our scholarships, you must wait two years to apply again.

To be considered for a **Platinum Torch** scholarship, we would like you to be an inspirational and energetic individual who has registered with the **Platinum Torch**. We are interested in your activities that demonstrate your interest in volunteerism.

For the 2009/10 academic year, our three scholarships are valued at \$500.00; however, we may, at our discretion, grant awards of any size. We require that our scholarship funding be used for tuition at universities, colleges, junior colleges, or vocational schools. You must be a high school senior (public or private school) or a college student at a university, college, junior college, or a vocational school.

How do you submit yourself for a **Platinum Torch** scholarship and find out if you've qualified? Simple! Read and follow the short guidelines below. We look forward to receiving your scholarship application, and thank you for your interest.
